This powder never varies. A marvel of purity, strength and wholeness. More economical than the ordinary kinds, and cannot be sold in competition with the multitude of low test, short-weight, adulterated or spurious powders. Sold only in cans. ROYAL BAKING POWDER CO., 116 Wall Street New York. a21

ARTESIAN WELLS.—Peter Dupuis and Charley Stewart of the North end of town, sunk an artesian well 45 feet in Mr. Dupuis' yard, which cost only \$15. A 2-inch pipe was put down, and when three feet above the ground the well will flow four gallons a minute, when 1 1/2 feet above the ground, five gallons, and on a level with the ground, six gallons per minute. Two pipes three-fourths of an inch in diameter are kept full and running all the time, Mr. Stewart has started to sink a well of the same kind in his yard. Forrest Small and Charley Rullison have also good flowing wells at their homes at the North end of town.

CARSON SCHOOL CENSUS.—The report of the School Census Marshal for Carson School District, No. 1, has been filed with the County Superintendent of Public Schools and in looking over the report we find that there are 1102 children under 21 years of age of which there are 731 between the age of 6 and 18 years; 351 boys and 380 girls. Two hundred and forty eight under 6 years of age and 123 between 18 and 21 years. Between the ages of 8 and 14 there are 352; 326 of which attend public schools, 10 attend private schools and 26 that do not attend any, two of the latter being half-breed Indians, that would like to go to school. There are 1078 white children, 14 Negro, 3 Mongolians and 7 half-breeds. The nativity is as follows: 846 born in Nevada, 230 in other States and 26 foreign born, of the total number there are seven pairs of twins, five pairs girls and two pairs boy and girl each. The largest number of children in any one family is 8, being two families with that number, 13 with 7, 14 with 6, 33 with 5, 49 with 4, 79 with 3, 93 with 2, and 127 with 1. THE "DRUMMER BOY OF SHILOH."—A. R. Carrington, of New York and Chicago, gave a scriptopian lecture on the battle of Shiloh in the Opera House last evening, the views being the full size of the stage opening. As the house itself was not lighted many people turned away thinking there was no lecture. This "Drummer Boy of Shiloh," as Mr. Carrington is so well known, is certainly a genius in his line, and his drumming is something unexplainable, and arouses an audience to such enthusiasm as we had never before witnessed. His description of this battle is pronounced by those posted on the subject as the nearest correct of any they had heretofore heard or read of.—Salt Lake Tribune.

REFINED MINSTRELS.—The Enterprise says: The Goodyear, Cook & Dillon Minstrels gave a performance at the Opera House last evening to a good and appreciative audience. The Company advertise refined minstrelsy, and they live up to their contract. There is nothing coarse or suggestive about them. The entire performance goes like clock work.

They will appear at the Opera House this evening, and you had better secure your seats, for they are being taken rapidly. They will perform in Reno Friday night.

This society has been organized and in constant practice for many months past, and is probably the best amateur musical association in the State, comprising, as it does, plenty of talent and the best of training. The society has been very generous, and sung by invitation on many public occasions.

They now wish to raise money to buy new music and should have a rousing benefit. It will be an entertainment of superior merit.

The Walker, Iowa, News, says: "Our old friend, Robert Baird, of Muscatine, Iowa, has been Secretary of the State Senate, and an active politician for years, but was never generally known until he had the colic, and used Chamberlain's Colic, Cholera and Diarrhoea Remedy, and got into one of their advertisements. "Now he is famous." Here is what Mr. Baird said: "While in Des Moines, I was taken with a severe attack of bowel complaint. For two days I suffered intensely, trying several drug stores and paying them for relief, but in vain. I finally bought a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy, and two doses of that brought me out all right. It costs less than the drug store preparations and I have the balance for future use. I consider it a grand remedy." 25 and 50 cent bottles for sale by G. C. Thaxter.
